

just.  
ecological.  
achievable.

## “Future For All” – For All !

We will broadcast more than 20 events from the Future For All Congress. All morning preludes, evening podiums, strand podiums as well as the opening and closing of the congress will be broadcast live online via YouTube live streams. We use up to three channels at the same time for this.

These live streams - including ZFA-TV - are available to anyone interested. This link will take you to the streams and further information:

<https://zukunfftueralle.jetzt/kongress/livestreams-uebersicht/>
